

INSTRUCTIONS FOR

Stack and Connect Label Dispenser (#12998)

Step 1. Drop your blister pack or open roll of labels into one of the dispenser compartments

Step 2. Pull out the first few labels on the roll and slide them down into the label guide on the front of the dispenser. (The first one or two labels will need peeled by hand).

Step 3. Close the lid and pull the labels and backing until a label is automatically peeled and dispensed below the top lid.
