

INSTRUCTIONS FOR Micro Cart (#20493)

Step 1. Mount all 4 casters to the Base.

Step 2. Mount Legs A and B to the front side of the Base. Note: Choose one of the long sides as front.

Step 3. Mount legs C and D to the back of the Base.

Step 4. Mount the middle shelf with the open lip to the front.

Step 5. Mount the top Shelf with the open lip to the front.

Note: Apply a drop of Loctite to the screw threads of each screw before installing the nut. This will help keep the nut from working its way loose.
